## Caffeine with a conscience

Forest Lake Presbyterian is teaming up with Shandon Presbyterian to support Café Justo, a fair trade cooperative in which the farmers own the entire line of production – from growing to consumer sales.

Café Justo is affiliated with Frontera de Cristo, a Presbyterian border ministry in the neighboring cities of Agua Prieta, Mexico, and Douglas, Arizona.

All the coffee is organic and shade-grown. Each package states the name of the farmer who grew it.

Place an order today, and enjoy great coffee while you also support families in Chiapas, Mexico, with income that allows them to remain on their land.
